

This week's favorite team: Utah Utes

Monday, 23 November 2009

Twice now teams have gone into provostan to kitty stadium and destroyed the zoo. Florida and TCU both humiliated the fat byu faithful, sending them to drown their sorrows in a bowl of ice cream at the local "creamery." It is time for an exclamation point victory by the Utes to serve up some funeral potatos for byu's season.
GO UTES!
